Canton High School

Class of 2006

Dedication

Elsa Nicolovius

Ms. Nicolovius welcoming the German students in 2002.

Ms. Nicolovius displaying the exchange t-shirt.

Ms. Nicolovius giving a grand speech at the farewell banquet.

The class of 2006 would like to dedicate the yearbook to a person who is dedicated to her students, and devoted to one of the longest running school activities in the country. Through her many years teaching at Canton High School, she has enriched her students with the culture and language of Germany. Thanks to her hard work and commitment, our school's exchange program with the town of Bocholt, Germany, is the longest running exchange in the country. It has been running for 25 years. She undertakes the immense task of coordinating the exchange year after year. She sees her students as more than just a student sitting in a desk. She takes time out of her teaching to truly discover who each individual is. Most

importantly, she inspires all her student to strive for the best.

We thank you for all you have done for Canton High School. We are honored and thrilled to dedicate Echo '06 to you, Ms. Elsa Nicolovius.

In Memory Of

Zickolas "Nick"

1987 Donato 2005

Life ain't afways what it seems to be, Words can't express what you mean to me...

Give anything to hear half your breath, I know you're still living your life after death...

Nick Donato had a fun and loving personality that will stay in our hearts and memories forever. From his music and artistic abilities to being an all around great guy, he made an impact on all of our lives. The future that he had in front of him was destined to be great but his time in this world was cut too short.

Even though you're gone we're still a team...

Every step I take, every move I make, Every single day, every time I pray, I'll be missing you...

Thinking of the day, when you went away,

What a life to take, what a bond to break,

I'll be missing you...

Fall Rally

Cheerleaders prepare for a stunt

The season got off to a fantastic start on October 7 during the fall rally. All the teams came dressed up displaying their Canton spirit in hopes of winning the spirit award. Hosts Katie Burr and Michelle Bove were able to keep the crowd in the spirit during the entire rally. New events were added this year, such as an eating contest and basketball contest, in which one member from each grade competed for bragging rights. Traditional events such as the honoring of captains were again a part of the festivities. As usual, the captains joined the cheerleaders in performing the GSL. The cheerleaders also performed many other routines and left the crowd impressed with their incredible skills. Although the juniors were honored with the spirit stick, the school as a whole showed tremendous spirit.

Thanksgiving Rally

The school gathered for another rally on November 23 to kick off the Thanksgiving festivities. The rally began with the senior girls displaying their dancing skills and showing their bulldog pride as they performed in front of the school. Following that, the top ten reasons why we would beat the Knights were presented. This year saw a new tradition as members of the girls Powder Puff team challenged the members of the boys football team to a flag football game. In keeping with tradition the senior members of the football and cheerleading teams were announced and were presented with flowers and candy. The hosts for the afternoon were Katie Burr, Mark Barosky and Julia Matthews, who kept the spirit up and the rally entertaining. All in all, the event was enjoyable and set the tone for the Thanksgiving games.

FOOTBALL

It was a season of firsts for the Canton High School football team. The team welcomed a new coaching staff as well as a new field. The team, led by senior captains John Stivaletta, Russel Burrows, and John Driscoll, worked and fought hard in every game. The team enjoyed a number of successes. Offensive linemen Dennis Dibiasio, Matt Feeney, Russell Burrows and Andrew Taylor opened up the holes for Canton's first 1000 yard rusher in many years, Gentry Jones. On defense, the team was led by all-league linebacker Russell Burrows. He, Matt Kisil, John Driscoll and Ken Sheehan punished teams for every yard. A special teams that saw over 5000 yards of kick off return yardage was helped by Stephen Griffiths. The team would like to thank the school for their support throughout the season. ~Coach Goff

FIELDHOCKEY

After losing ten seniors and a coach from the 2004 state championship team, the 2005 team had another successful season, finishing with a very respectible 13-4-2 record. The team was led by captains Kristine Stigas, Courtney Moriarty and Sam Gavigan, along with senior Lauren Mitcheroney. First year Varsity coaches Brooke Bergmann (Guidance counselor here at CHS), Heather Lucyk, and JV coach Erica Schmidt (Biology teacher) worked with experienced volunteer coach Dee Moritz to provide a smooth transition between coaches. The team will have a good core of talented girls comming back and hopes to continue Field Hockey's winning ways next year...

BOYSSOCCER

Led by captains Joe D'Agostino (Sr.) and Dj Murray (Jr.) the Bulldogs had a tough season. Canton's lack of experience (two seniors) hurt them while competing in a league where most teams were made up of primarily seniors. The Canton Bulldogs finished 7th in the Hockomock league despite their size and age. Regardless of the lack of seniors on the team this year, the Bulldogs will have 13 returning seniors, one returning junior and four returning sophmores. Next year looks very promising for the Bulldogs with a very experienced team. The team should have an excellent record. Be sure to look out for the uprising Bulldogs, for they will surely be a powerhouse in the Hock next year.

GIRLSSOCCER

In their 6th consecutive year making the state tournament, the Girls Varsity Soccer team had another successful season. Led by seniors Melisssa Moul, Sheila Doherty, and captains Michelle Bove, Alex Wade, Julia Matthews, and Sarah Duggan, the Lady Bulldogs ended the season with a winning record. On top of qualifying for the tournament, the team defeated league rivals King Phillip and Oliver Ames. The upcoming season looks good, with many talented underclassmen returning next year.

VOLLEYBALL

The Volleyball team once again has defeated the odds. Although they lost three league all stars, what could have been a rebuilding season turned out to be a successful one. Led by captains Katie Burr, Leah Chamberlain, and Shelagh Costello, the girls won 15 games in the regular season and became 3-peat Hock Champs. The team is losing 7 seniors: Amanda Jones, Katie Burr, Shelagh Costello, Leah Chamberlain, Jocelyn Miller, Erin Shaughnessy, and Allie King. Burr, Jones, and Costello were also named Canton Citizen All Stars for the 2005 season. The team is looking forward to another great year.

BOYS X-COUNTRY

Cross country is a sport of endurance, and this season our team stuck it out till the very end. After having a difficult season within the league, we came in eighth in the South Shore Invitational and in the top half of Class C. In the class meet we finally accomplished our goal of defeating Foxboro with whom we've been very close with all year. Individuals shattered times from last year and some new members improved greatly throughout the season. As a team we kept a very tight one to five and one to seven gap. Most importantly, our team retained the incredible personality we've always had over the years and made cross country a memorable part of our high school experience.

GIRLS X-COUNTRY

This season of CHS girls cross-country was a growing season for the team. Although we didn't win our meets, each athlete brought great strengths to the team. Our top runner continually dominated in the meets and every team member improved their times. The new coach Jen Teahan, who was a CHS cross country runner herself, helped lead the team throughout the season. Her advice and encouragement brought the team together. With a large number of younger girls on the team the next cross country season looks promising.

G O L F

The 2005 Canton High School Golf team had a memorable year and plenty of fun, despite its losing record of 5-11. Led by captains Sean Cassidy, Andrew Nauyokas, and Matt Woods, the team enjoyed a rewarding victory against Sharon, winning 151-163. Throughout the year, impressive performances were added by Nauyokas, Woods, and juniors John Stigas and Matt Hoffman. With many talented juniors becoming seniors next fall, the 2006 team looks to improve upon this year's record and become a team to be reckoned with.

Led by team captains Samantha Matt and Valerie Baker, the cheerleaders had two very successful seasons this past year. The girls started out their fall season by attending UCA camp over the summer, where Val Baker, Sam Matt, and Jessie Hiltz were chosen as UCA all stars, and where Val Baker was selected to try out for the UCA staff, which she will be a part of the next upcoming summer. After having to change coaches midway through the year, the girls still ended up having a victorious winter competition season. The cheerleaders took 2nd place at the Hockomock League Championships, receiving enough points to move onto Regionals. In addition to this success, the team received 2nd in their division at the Attleboro Invitational. All together, both seasons were highly successful and the seniors wish the team luck in the years to come!

SWIMMING & DIVING

The Canton High School Girl's Swim Team entered their 2005 season with two new coaches, Jim Carta and Rachel Lawrence, and senior captains Alyssa Konopka, Cynthia Sullivan and Christine Wilson. This year, each girl beat their personal best time, and their reward was beating Stoughton and even New Bedford for the first time. Congratulations to Catherine Casey and Katelyn Noll for placing 11th and 12th at the Suburban Swim Sectionals and for also achieving cut off times for States. The swim team's welcoming spirit and enthusiasm is best reflected by the addition of ten new swimmers. The Swim Team is losing 14 seniors this year, but the interest in the sport of swimming at Canton High School will continue to grow and produce accomplished swimmers for years to come. ~Captains Cindy Sullivan and Alyssa Konopka

BOY'SHOCKEY

Despite coming up empty in both the Hockomock League and the State Tournament, this was overall an extremely successful year for Boy's Hockey at Canton High. After losing both a head coach and 14 seniors, the boys were looking to start anew and put Canton Hockey back on the right track. First year Coach Brian Schuman had high expectations all year and made his presence known immediately. Strong senior leadership, along with plenty of promising underclass talent, helped the Bulldogs finish with the solid record of 14-6-1. Highlights of the year were Canton's double wins over league rival Franklin, along with posting four league all stars. The scoring was dominated by senior Ryan Gormley, and juniors Mike Rawding and Chris Rooney. Solid defense was provided by seniors Pat Conroy and Ryan Leary and junior Brandon Lyons. The net was dominated all year by junior Mark Eadie.

GIRL'SHOCKEY

The Girl's Varsity Ice Hockey team made history this 2005-2006 season. Not only were they league champions, but also went undefeated for a perfect 18-0 record. The girls didn't stop there. They made it to the state finals in Division I, where they finished their season at 20-1. Hockomock All-Stars for the 2005-2006 season included Arielle Spadea, Alexis Regan, Brittany Lyons, Julia Matthews, and Jackie Galvin.

~Alexis Reagan

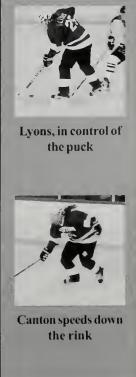

BOY'S BASKETBALL

Despite its 1-17 record, the 2005-2006 boy's basketball team had its share of memorable moments throughout the season, including a near-upset against North Attleboro - the 14th ranked team in the state. Led by only two seniors - Captain John Driscoll and Andrew Taylor - the Bulldogs look to improve next year with eight experienced varsity players returning, including this year's leading scorer, Jean Lacet. Jean, who won the three point contest at the Christmas Tournament and was named a Hock All Star, was the 4th leading scorer in the Hockomock Leage with 18 points per game. With more experience next year, the Bulldogs hope to make a run in the Hockomock League and State Tournament.

GIRL'S BASKETBALL

The girl's basketball team entered the season with a new coach, Coach Erin Kirrane, after their former coach, Coach Ann Ezepik sadly retired. The squad was led by senior captains Courtney Moriarty and Kristine Stigas, and also seniors Michelle Bove and Sheila Doherty. A handful of talented juniors and a couple of sophomores filled the rest of the lineup. The team's overall record of 6 wins and 11 losses does not truly show how well this team improved and worked hard. The key to their game was defense, along with the motto "BIC", standing for "You Bet I Can." Although there are big shoes to fill, next year's team looks promising with eight returning varsity players.

First Row: Amanda Hines, Michelle Bove, Kristine Stigas, Courtney Moriarty, Sheila Doherty, Coach Erin Kirrane; Second Row: Taylor McHugh, Julie Handman, Meaghan Daly, Meghan Cawley, Gina Gleason, Kerry Foley, Catherine O'Brien

GYMNASTICS

The Gymnastics team had a very successful season, finishing second in the Hock with a record of 8-2. Six out of the twelve members of the team qualified for stage individuals, including Erica Marathas, Jessie Hiltz, Ilana Rothkopf, Ginger Leone, Emily Damari and Erin Donnelly. The team went to sectionals and seeded 4th, but due to injury finished 5th in the competition and did not move on to the state finals. This has been one of the most triumphant seasons the girls have had in a long time, and are expected to continue winning next year as well.

WRESTLING

The 2005-2006 wrestling team had quite a bounce back year with a 12-9 record, compared to the previous year. Senior captains Josh Bystock, Matt Kisil and Manasseh Remy, and junior Captain Mike White, led the way under new assistant coaching influence, alumni Sean Rockwell. Mike White and Matt Kisil both won the Peckham Tournament. Josh Bystock and Mike White were also awarded Hock All-Star for winning Hockomock Championships. The team sent 6 wrestlers to States with two finalists and also qualified for the Team State Tournament. Freshman Lauren Cortizo as a rookie wrestled Varsity and placed third in two girls tournaments. Next season, the team will be lacking 4 seniors but the team will do their best to stay on the rise.

INDOORTRACK

The 2005-2006 boy's indoor track team, led by captains Duong Nguyen and Adrian Li, had its best record in decades at 4-4. The team had over thirty members, including many seniors, which is also the biggest turnout in years. Significant accomplishments this season include Dainius Kerikas and Sam Bastien being recognized as All-Hock athletes, and Joe D'Agostino making New Englands. Coaches Chris Elgar and Nick Devers are doing an outstanding job as they have returned the team to a respectable status.

INDOORTRACK

The 2005-2006 girl's indoor track team had a strong season. Although there were not many wins, there were great improvements made in performances from each individual. As a small team, we showed the Hockomock League that Canton girl's indoor track was not a laughing matter. Each week, regardless of what they were running, the girls gave 110% in competing and supporting each other. Captains this year included seniors Jahna Barbar, Christine Doherty, Mary Doherty, Tracy McNamara and Melissa Moul.

BASEBALL

The 2005 season was a tough one for the Boy's Baseball team. With a senior class only represented by 6 players the Bulldogs were constantly plagued with inexperience in the field and at the plate. As the year went on, however, there was certainly marked improvement. Despite only posting 3 wins, Greg Lyons led the Hockomock league in ERA. Impressive performances at the plate were made by senior Chris Bell and juniors Dave Murphy, Kevin Moritz and Scott Callaghan.

SOFTBALL

The future looks bright for the 2006 Canton High softball team. With eight returning players, six of whom are seniors, they have an excellent chance to improve on last year's record of 6-10 and make the tournament. Included in this year's group of seniors are captains Jackie Mula, who led the league in triples and was named league all-star in 2005, and Kristine Stigas, as well as Julia Matthews, whose 2005 batting average was second only to Mula's. Despite a losing record and a shortage of seniors, last year's team fought hard and had its share of positive moments. Led by captains Michelle Cawley and Katie White, the team had two rewarding wins against tough league opponents — one against King-Phillip and one against Franklin. Also, five of the team's ten losses came by two runs or less — yet another reason to expect an improved Bulldogs team in 2006.

BOY'STENNIS

Coached by former English Teacher Mrs. Hennessey, the boys Varsity Tennis Team went 1-15 in the 2005 season. Their 1 win came against Oliver Ames at Home. The score for that match was 4-1. At first singles we had Captains Aaron Sagotsky. At second singles, we had Mark Barosky and at third singles, we had Mark Hammond. For first doubles we had co-captain Mike Katz and Jeff Shea, and at second doubles we had Moti? Lesov and Tu Le. Although ough our record may show that we had a bad season, we still had fun and hope that next season will be different.

The 2005 Girl's Tennis team ended their season with an 8-8 record. Captained by seniors Tracy Tat and Carolyn Lo, the team made it to the quarterfinals in the South Sectional regionals for the fourth year in a row, before losing to the second seeded team. The captains for the 2006 season will be seniors Emily Erickson, Kait Erickson, Jahna Barbar and Leah Chamberlain.

BOY'SLAX

The 2005 Boy's Varsity Lacrosse team was led by head coach Bill Bendell, along with senior captains Brendan Barucci, Sean Daly, and Jason Febo. The team had a successful season despite finishing with a record of 6-10. Barucci contributed over 50 points for the Bulldogs and Sean Daly assisted the team with over 200 ground balls on the season. The team was also eligible for the Division III tournament for the first time in Canton High School history, and beat Bedford 9-8 in the first round. There are high expectations for the 2006 season. The four captains include Lucas Hamory, Tom Boudreau, Sean Cassidy, and Patrick Conroy.

GIRL'SLAX

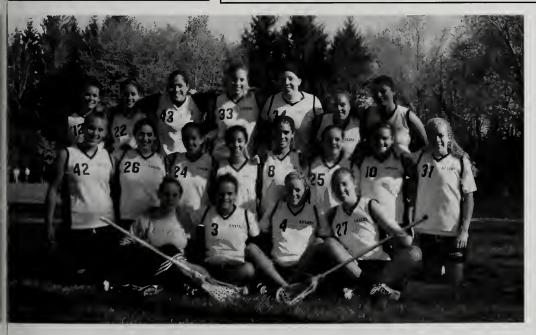

The 2005 Girl's Varsity Lacrosse team had a great season with a winning record of 9-6-4, putting them in great position for the post season. They won their first tournament game against Franklin 4-2, but fell to Scituate in the second round. This was their first appearance in the second round of the state tournament since the start of the program six years ago. Three senior players Ale Kuncaitis, Meghan Wheeler, and goalie Sabrina Zayas were nominated to the All-Star team. There is a lot of young talent remaining, and this year's team looks to go further in the post season.

TRACK&FIELD

In the spring of 2005, the Canton High boys track team, lead by coach Tom Bresnahan and captains Nate Sharpe and Jacque Faublas, ended the season with an impressive 6 - 2 record in the Hockomock League. There were many outstanding performances throughout the year, many of which occured at the Class D State Championship, where the boys came one point (.07 seconds) away from winning the class title. The boys were honored with the Hockomock League sportmanship award. Some of the top performances included Gentry Jones in the 100 m dash (10.8 sec), Jacque Faublas in the 200 m dash (22.5 sec), and the 4x100 m relay team (Jones, Faublas, O'Brien & Murphy, 51.09 sec). The boys track team will be looking forward to another great season.

TRACK&FIELD

The 2005 girls track and field team had a good season. Led by tricaptains Liz Ryan, Rachel Venezia, and Lauren Mooney, the girls managed to tie Foxboro and defeat both Stoughton and Sharon. The 4 x 800 relay team of Julie Muller, Christine Doherty, Rachel Venezia, and Christina Pellegrini, broke the school record and placed in the top six at States. The team looks forward to another great season this year.

Performing Arts at Canton High this year has been dazzling. With the first full year in the auditorium and a new band and chorus room, they were bound to be greater than ever. With a new chorus director, the chorus has learned a new style of singing. The all-girl singing group Treblemakers was also directed by new teacher, Ms. Chilton, who taught the girls a new way to perform. Mr. Mac was enthusiastic as always as the band teacher, choosing exciting and challenging pieces for the band to perform. The best and brightest of these two groups compose Tri-M, Canton High's Music Honor Society, which set out to make the community a better place through music. Canton High School's Drama Club started off the year with one of its most successful musicals in years, *Chicago*. The next show was also a high profile one, *The Diary of Anne Frank*. For the first time ever, Canton High School participated in the 24-Hour Plays. In addition the Drama Club also performed the Student Directed One Act Plays. The Drama Club put a great effort into each show, with great results. The Performing Arts Department has performed their hearts out this year, and it most definitely shows. *Allie Nelson*

After winning the New England title last year, the Canton High Math Team resumes its record of excellence despite a rough start earlier this year. Led by senior captains John Costanzo. Nicholas Quigley, Arvindh Rao, and Haixin Dang, the team worked hard to prepare for their monthly competitions in the Greater Boston Mathematics League and Massachusetts Mathematics League. The team members also participated in the New England Mathematics League, Massachusetts Olympiad, and the American Math Competition. The team's year-long season entailed many hours of extra math homework every night. Practices began before school started in September and lasted throughout the summer, often over holidays, breaks, and snow days. Coach Martin Badoian, who had the math wing recently dedicated to, and assistant coach William Sweeney oversaw countless hours of rigorous practice every week to sharpen the team's analytical skills. This year, the team also continued its traditions of playing Trivial Pursuit on bus rides, having team dinners together, watching juggling shows, and running the concession stand during home football games. The math team looks forward to continuous success and excellence in the future.

ECHO 2006

A NOTE FROM THE EDITOR:

We are the class of 2006. We are the caring, motivated, spirited, academic and original young men and women of Canton High School. We are the role models in our school; the future leaders of the world. We are the class of 2006.

It became my job, this year, to manage the production of recalling and recording the events of our high school experience. As most of you already know, the staff got off to a late start, but we have managed to pull it off. Special thanks go out to Mr. Turner, our brand new advisor that has been with us every step of the way, and Vanessa Lane, who has missed almost as much class as I have...in order to work on 'yearbook stuff' of course.

I hope that you, the class of 2006, greatly enjoy and treasure this masterpiece that we, the yearbook staff, have devoted our senior year to producing.

Canton Drama Club presents

Chicago:

A story of murder, greed, exploitation and adultery. The story was brought alive by the students showcasing their wide range of talent. The show drew a vast amount of people, one of the largest attendences in Canton High School history. The three nights of performances left the crowd impressed. The cast was led by Katie Cahill (Roxie Hart), Sam Clapton (Velma Kelly) and Steven Young (Billy Flyn).

The six murderers perform their rendition of the "Cell Block Tango"

Colleen Chung and Joanna Sugameli as Cell Block Girls.

...Construction.....

July 2003 - June 2006

In the end of our (the seniors) freshman year, the Canton High School Renovation Project began. From that moment on, CHS was like a war zone. We had to deal with constantly moving classrooms, blockaded hallways, insane fire drills, and electrical and fire alarm problems nearly every day. Of course it was all worth it. Even though the high school is still not complete, we are still able to experience the majority of the new building. We eat in our new cafeteria, use new classrooms and labs, perform in the new auditorium and play in the new gym. Future students can look forward to a renovated 'C' building, a functional media center, a new lecture hall, and working heat and air conditioning.

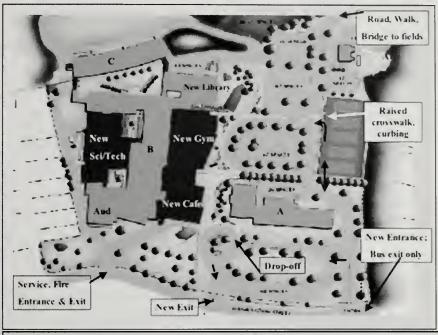

...or so they planned...

From the Canton Citizen

- Bringing Canton closer to you since 1987

For the past 30 years, I have had children in the Canton Public School System. My first began kindergarten at the Hansen School in 1976 and the last two are graduating with the Class of 2006. I would like to thank the school system — particularly the many teachers who touched my children's lives — for providing all five with a wonderful education.
